

Apartado 3: : Consultar competición en plataforma de IA Kaggle

Accedemos a la página de [Kaggle](#) para registrarnos y crear una cuenta en **Sign In**

The image shows the Kaggle website's sign-in process. At the top, the navigation bar includes the Kaggle logo, links to Competitions, Datasets, Models, Code, Discussions, and Courses, a search bar, and buttons for Sign In and Register. The main banner features the text "Level up with the largest AI & ML community" and an illustration of a diverse group of people. Below the banner is a "Welcome!" modal with options to Sign In or Register. The Sign In section lists four methods: Sign in with Google, Sign in with Email, Sign in with Facebook, and Sign in with Yahoo. A link to "Create one" is provided for users without an account. At the bottom of the modal is a link to "Contact Us / Support".

Below the modal, a Google sign-in overlay is visible. It features the Google logo and the text "Sign in with Google". On the left, there is a large blue "k" logo and the text "Sign in to Kaggle" above a black redacted area. On the right, there is a paragraph of text: "By continuing, Google will share your name, email address, language preference, and profile picture with Kaggle. See Kaggle's [Privacy Policy](#) and [Terms of Service](#)." followed by "You can manage Sign in with Google in your [Google Account](#)." At the bottom right, there are two buttons: "Cancel" and "Continue".

En mi caso la he creado con google.

Acceder a una competición activa

Hacemos clic en competitions.

Posteriormente elegimos una competición, en mi caso **Remote Work & Mental Health** 🌐🧠 (<https://www.kaggle.com/datasets/waqi786/remote-work-and-mental-health>) ya que no he podido validar mi cuenta, me pedia grabarme con la cámara y no quiero ceder esos datos, así que he usado uno público.

Data Explorer

Version 1 (598.57 kB)

Impact_of_Remote_Work_on_Mental_Health
